Gunns Limited is a world leader in forestry certification. The Company has successfully implemented sustainable forest management practices, which have been independently audited to achieve the Australian Forestry Standard (AFS), the international Programme for the Endorsement of Forest Certification scheme (PEFC), Chain of Custody and the international Environmental Standard ISO 14001.

*Gunns currently manages in excess of 200,000 hectares of high quality plantations. We also own and manage over 45,000 hectares purely for conservation reserves.*
